

WHAT ARE WE PROPOSING (CONTINUED)?

These boards show you our site layout plan showing the proposed new dwellings in relation to Putton Lane, Lower Putton Lane, Podington Meadows and The Coppice. We also have available:

- Detailed plans of the houses and flats;
- Street elevations & visuals to give you a flavour of the development; and
- Printed copies of the site layout plan.

Please feel free to ask to see these and discuss the details with a member of the team.

Please remember this is a consultation so we are interested to receive your feedback on the detailed house designs and layout.
